

Hamburg

By underground

The closest underground station is Baumwall on the yellow line U3 (approx. 500m away from the office). Follow the signs for "Kehrwiederspitze" leading to the street "Am Sandtorkai". Continue to follow the road, you will find the office on the left hand side.

By train

Leave the train at Hamburg Hauptbahnhof (central station) and either take a taxi (approx. 10 minutes drive) or the underground (see above).

By plane

A taxi from Hamburg Airport to MCF takes approx. 20-40 minutes depending on traffic. Alternatively it is possible to take the bus (Airport-Express) to Hamburg Hauptbahnhof (central station). From there continue as described above.

By car

Coming from the south, leave the Autobahn A7 at exit "Othmarschen". Follow the signs to the city centre "Zentrum" and drive along the river Elbe, until you see a sign "Kehrwiederspitze". There take a right into the "Speicherstadt" and follow the street. The office is in the "Kesselhaus" (the corner of "Am Sandtorkai" and "Auf dem Sande"), on the left hand side of the street.

Coming from the north-east or the east, take the A24 at the Autobahn intersection "Hamburg Ost" and drive until you reach the large roundabout at the end of the Autobahn (Horner Kreisel). Take the second exit of the roundabout and follow the signs "Elbbrücken", until you reach the "Berliner Tor". Here, take a right turn then go straight ahead (you will eventually pass a tunnel) parallel to the river Elbe. Follow the signs to the "Kehrwiederspitze". From there follow the road into the "Speicherstadt", as described above.
