

London

By underground

The closest tube station is Piccadilly Circus on the Piccadilly and Bakerloo Lines. Take exit 4 for Haymarket/Eros and turn left out of the station and walk towards Leicester Square. Haymarket is the first street on the right and the office is approx. 50 metres on the right hand side.

By train

The closest overland train station is Victoria although the stations of Euston, King's Cross, Liverpool Street, Paddington and Waterloo are also relatively close by. Either travel on by taxi or underground (see above).

By plane
